

Monroe Township Library Children's Events

FEBRUARY / MARCH 2009

**NEW
SERVICE!**

FREE LIVE HOMEWORK HELP!

Never be stumped by a
tough homework
assignment again!

Students from Kindergarten to 12th grade, those in introductory-level college courses, and adult learners can simply visit the Monroe Township Library or the Library's Website from home to get on-demand, free help from qualified tutors.

The Monroe Township Library now offers Live Homework Help®, an online tutoring service from Tutor.com™ that connects students to expert tutors (at no charge) in math, science, social studies, and English via the Internet. Spanish-speaking tutors are available to help students in math and science.

This free service allows students to connect to an expert tutor either from the Library from their home PC or Mac with a library card any day of the week between the hours of 2:00 - 9:00 P.M. and receive homework help from a live tutor via the Internet. Live Homework Help is easy to use. Children and teens simply go to the Library's Website, click on the Live Homework Help link and then enter their grade level and the subject they need help in. In just a few minutes, students are connected to a tutor in an Online Classroom for one-to-one help.
