

READ ALOUD VOLUNTEER ENSEMBLE

RAVE (Read Aloud Volunteer Ensemble) is a cooperative program sponsored by the Monroe Township Library, Monroe Township Office on Aging, and the Monroe Township Board of Education. Volunteers are trained to read aloud to children and then present a 30-minute storytime in a classroom in the Monroe Township, Jamesburg or East Windsor school districts.

If you are interested, print and fill out the application below and return it to the Monroe Township Library. Orientation workshops are held 3-4 times a year. Once your application is received you will be notified of the date and time of the next workshop. A reader cannot be placed in a classroom until they have attended a workshop.
