

Here's how it works:

When you sign-up for our Summer Reading program you will receive a "Summer Reading Starter Kit" that includes: a reading log to keep track of your reading over the summer months, a registration form, a "Make a Splash" bookmark, and a fold-a-way Frisbee for the beach.

You can register starting Friday, June 25, 2010 at either the Monroe Township Library or online through our website <http://www.monroetwplibrary.org>. You can even keep track of your hours online, which is great for kids who travel over the summer! Just visit our Kid's page and you'll see the instructions on how to register and log your hours.

If you are an Independent Reader (kids who read on their own):

- Log your hours online for every 1 hour you read. We will generate a random drawing for cool weekly prizes. Remember, the more you read the better your chances are to win.
- Each electronic ticket will also be entered into a monthly drawing for a \$25 gift certificate to the *Freehold Raceway Mall* that will be pulled at the end of July & August.
- Also, after you've reached the following reading milestones you'll get these fun prizes:

5 hours	receive a coupon for an ice-cream from Mendoker's Bakery.
10 hours	pick a book from our prize cart!
20 hours	enter your name into a raffle for an iPod Shuffle & iTunes gift card!

If you are a Read-To-Me (young children who are still being read to by a parent):

- Keep track of the reading you do with your child using this log. Visit the Library each week to place a scale on his/her Rainbow Fish for every 1 hour you read together. We'll keep the fish on display in our Youth Services Department during the summer months so you can show off all of the reading you did together!
- After you've reached the following reading milestones together you'll get these fun prizes:

5 hours	receive a coupon for an ice-cream from Mendoker's Bakery.
10 hours	pick a book from our prize cart!
20 hours	enter your name into a raffle for some fun toys!

**Almost there!
You've read for
10 hours!**

**You did it!
20 hours!**

Color one flip-flop for every 15 minutes you read over the summer. (That means 1 pair of flip-flops = 30 minutes of reading.)

**Awesome job!
