Free income tax preparation service is available at select branches of Monmouth County Library System. A limited number of returns may be prepared each session. Service is provided by trained AARP Foundation Tax-Aide Volunteers for most Federal and NJ tax returns. More complex returns with tax situations on which volunteers are not trained cannot be prepared.

PLEASE NOTE: All taxpayers must be present when their tax return is prepared.

If filing a joint return, both taxpayers must be present.

A list of the most common documents that AARP Tax-Aide preparers will need in order to prepare your tax return is shown on the reverse side of this flyer. There may be others if the taxpayer has a unique situation.
